ASSIGNMENT AGREEMENT

This Assignment Agreement ("Agreement") is made and entered into as of the 10 day of March, 2006 by and between eCognito, Inc., a Delaware corporation (the "Grantor"), and Megasoft Consultants, Inc. a Virginia corporation (the "Company").

RECITALS

WHEREAS the Grantor purchased services for, and Company provided services for, the development of certain software related to anonymous online shopping and purchasing technology, under that certain Consulting Services Agmt. dated as of May 9, 2001 ("Software Development Agreement"); and

WHEREAS Grantor defaulted on its obligation to pay Company for services rendered and products delivered under the Software Development Agreement and as partial settlement for such default, the parties are entering into the Agreement, pursuant to which Grantor agrees to irrevocably assign its rights in and to the Software (as defined below) to the Company.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein or in the Exhibits and Schedules hereto shall have the meaning set forth in this Section 1. Terms defined in the singular shall have the same meaning in the plural and vice versa.

(a) "Copyrights" means, with respect to the Software (i) all copyrights in works, software, moral rights, *sui generis* rights, or other rights of authors, whether or not the underlying works of authorship have been published, and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, and any renewals or extensions thereof, (ii) the rights to print publish and distribute any of the foregoing, (iii) the right to sue, defend or otherwise recover for any and all past, present and future actual or threatened infringements and misappropriations thereof, including action by any governmental authority (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto.

(b) "Intellectual Property Rights" means all of the Registered Intellectual Property, Patents, Trademarks, Copyrights and Trade Secrets and the Patent Rights, Trademark Rights, Copyrights.

(c) "Patent Applications" means all present or future applications for letters patent of the United States or any other country or group of countries or any political subdivision of any of the foregoing, including without limitation, those referred to on Schedule 1.

(d) "Patent Rights" means any and all past, present or future rights in, to and associated with the Software and the Patent Applications, throughout the world, whether arising under federal law, state law, common law, foreign law or otherwise, including the following: (i) all rights issuing from any provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications based in whole or in part on the Software and/or Patent Applications; (ii) all patent licenses and all income and royalties with respect thereto; (iii) the right (but not the obligation) to register claims under any state, federal or foreign patent law or regulation; (iv) the right (but not the obligation) to sue and defend in the name of the Grantor or the Company for any and all past, present and future infringements of or any other damages or injury to the Software, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, damage or injury; (v) the right (but not the obligation) to apply for and prosecute patent applications in the name of the Grantor or the Company and to take any and all actions necessary or appropriate to maintain such applications in effect, and (vi) all proceeds of the foregoing.

(e) "Registered Intellectual Property" attached as Schedule 1 is a list of Grantor's registered (including applications for registration) intellectual property that will be contributed to the Company as provided for herein.

(f) "Software" means that software developed by Company under the Software Development Agreement, which relates to anonymous online shopping and purchasing, as more fully described in Schedule 1 hereto.

(g) "Trademarks" means all of the trademarks, service marks, designs, logos, indicia, trade names, corporate names, company names, business names, fictitious business names, trade styles, elements of package or trade dress, and other source and product or service identifiers, and translations and transliterations used directly in relation to the Software, together with the goodwill associated therewith, used or associated with or appurtenant to the Software in which the Grantor now has or in the future acquires any right, title or interest.

(h) "Trademark Rights" means any and all past, present or future rights in, to and associated with the Trademarks throughout the world, whether arising under federal law, state law, common law, foreign law or otherwise, including the following: all such rights arising out of or associated with the Trademarks; the right (but not the obligation) to register claims under any state, federal or foreign trademark law or regulation; the right (but not the obligation) to sue or defend or bring opposition or cancellation proceedings in the name of the Grantor or the Company for any and all past, present and future infringements or dilution of or any other damages or injury to the Trademarks or the Trademark Rights, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, dilution, damage or injury.

(i) "Trade Secrets" means (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques, software tools, algorithms, source/object codes, documentation, inventor notes, inventions, research and development information and technical data related to the Software, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under

all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto.

2. Assignment. The Grantor irrevocably grants, assigns, transfers, conveys and sets over to the Company such Grantor's entire right, title and interest in and to the Software and all Intellectual Property Rights related thereto, to have and to hold for the sole and exclusive use and benefit of Company, its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Grantor, if this Assignment and sale had not been made; together with all claims for damages by reason of past infringement of said Intellectual Property Rights, with the right to sue for an injunction and/or damages, and collect and retain any damages resulting therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives. Upon execution of this Assignment, the Software shall be the sole and exclusive property of Company. Upon Company's request, Grantor each agree to execute any document or instrument necessary to effectuate the provisions of this Assignment.

3. Further Assurances. Grantor shall, at any time and from time to time, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental authorities, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Company may request and as may be reasonably necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Agreement, or to assure and confirm to the Company the assignment of the Software. Such further actions shall be at the Company's expense.

4. Representations, Warranties; Disclaimer. Grantor represents, warrants and covenants that:

- (a) Grantor has all right, title and authority to enter into this Agreement;
- (b) There are no restrictions, agreements or understandings whatsoever to which Grantor is a party that would prevent or make unlawful its execution of this Agreement or its engagement hereunder;
- (c) Grantor's execution of this Agreement and its engagement hereunder shall not constitute a breach of any contract, agreement or understanding, oral or written, to which it is a party or by which it is bound;
- (d) Grantor has not registered or applied for registration for any of the Intellectual Property Rights, except for those listed on Schedule 1 attached hereto, and that Grantor has not made, does not plan to make, and shall not make any other assignments; and
- (e) Grantor has not sold, pledged, transferred or encumbered the Software or the Registered Intellectual Property.

5. Indemnification. Grantor will defend, hold harmless and indemnify Company, its agents, employees, officers, directors, affiliates and licensees from and against any damages, claims,

suits, actions, losses and expenses (including reasonable attorneys' fees and expenses) arising from or related to Grantor's breach of any of its representations, warranties or covenants made hereunder.

6. Additional Provisions.

(a) This Agreement is subject to modification only by a writing signed by the Company and the Grantor. No party hereto shall be deemed to have waived any right hereunder unless such waiver shall be in writing and signed by the waiving party. A waiver on any one occasion shall not be construed as a bar to or waiver of any right on any future occasion.

(b) Any notices and demands required to be given herein shall be given to the Grantor and the Company in writing and by overnight mail or courier addressed:
